Agenda discussed:

Sr. No	Agenda	Discussion/Decisions
1.	To read and approve the Minutes of previous meeting held on 14 th November, 2024.	Ms. Alpa Katira formally welcomed all board members. The minutes of the board meeting held on 14 th November, 2024 was unanimously approved.
2.	To discuss the Credit-Based Framework for B. Com (Accounting & Finance) Semester VII and VIII based on NEP 2020 guidelines.	The Credit-Based Framework for B. Com (Accounting & Finance) Semester VII and VIII will be discussed in future as & when implemented. This is subject to the guidelines from the University of Mumbai and the Management of the institution (PTVA).
3.	Any other matter with the permission of the Chair.	OJT Training Policy • An OJT Manual is in process of being drafted by the college to streamline the process of OJT Training. In the meanwhile, certain rules pertaining to OJT have been finalized for immediate implementation, namely – i. Students who have attempted Sem IV exams shall be allowed to opt for OJT and complete the required 120 hours before the beginning of the next academic year i.e between April and mid-June. ii. On successful completion of 120 hours of OJT, the student will be awarded with 2 credits. These 2 credits will be considered for semester VI (under OJT Component).

- iii. In case, the student fails in the second year, the student will be allowed to carry forward the said 2 credits for additional one academic year.
- iv. Students have been instructed to maintain a diary to record their learnings and progress.
- v. Article-ship will be considered as a part of the OJT structure undertaken by students pursuing CA to meet their diverse needs.
- vi. Students will have to maintain & submit all documents required by the college under OJT.

- It was also brought to the notice of the Board that the college had signed an MOU with SHARP agency for providing OJT/Internship opportunities for the PG/UG students.
- It was suggested by few members to check the feasibility of combining Field Project of Sem V (60 hours) and OJT of Sem VI (120 hours) together though the evaluation for the same to be considered separately. This combined approach would provide students with extended industry exposure, while organizations would benefit from having interns for a longer duration, making it more viable for them to onboard and train students effectively.
- The members suggested to keep the credits open (For 7 years under NEP) till the student clears his/her graduation. Further, viva-voce to be conducted for such students when the student becomes eligible for Sem VI.

Action Taken on Feedback from Stakeholders

A. Feedback from the Board

In the meeting held on 14th November, the Board of Studies recommended introducing

multiple elective courses under major electives for Semester V and VI. This recommendation has been implemented as per the directives.

B. Feedback from the students

Based on informal student feedback and the assessment of Semester I, the faculty recommended introducing two bridge courses—Basic Accountancy and Basic Mathematics—at the entry level. These courses will be mandatory for students from other faculties and, in the case of Basic Mathematics, for those who did not opt for Mathematics in Standard XII (SYJC). Other students may also enroll voluntarily.

It was recommended to delete topics such as Indices, Logarithm and Fractions from the course content of Basic Mathematics. It was accepted by the Board and necessary changes has been incorporated in the course content.

The course content of the proposed bridge courses was discussed and the Board unanimously approved the same.

- ❖ The BOS has prepared 3 years Course Structure/ Syllabus for the aforesaid courses as per the NEP 2020 and shall be applicable subject to the implementation and guidelines issued by UGC, Maharashtra State Government and adopted by University of Mumbai from time to time.
- ❖ With no other point to be discussed, meeting ended with a vote of thanks proposed by the Chairperson.
