- The students' viewpoint must be considered in the context of the 'Harnessing Green IT' course. It is important to explain to them how the course will be beneficial for their understanding.
 - General guidelines related to the NEP 2020 pattern and structure should be provided to the students so that they can gain a clear understanding of it.
 - Dr. Rajendra Patil suggested maintaining a library of case studies, research papers, and projects for the 'Harnessing Green IT' course which will provide valuable resources for students' reference.
2. Suggestions for Second Year Computer Science (Semester – III & IV) syllabus and examination under National Education Policy 2020.
- Chairperson Dr. Reena Nagda presented the proposed Programme structure for BSc Computer Science for Semester III & IV under NEP 2020.
 - Chairperson Dr. Reena Nagda discussed the exam pattern, including the scheme of continuous internal evaluation, practical exam, and paper pattern for the Semester End Exam.
 - Mr. Neeraj Chaudhari suggested adding online tools to improve the writing skills in Creative Content Writing course.
 - Dr. G.B. Hemalatha suggested merging the Data Structures course with the Fundamentals of Algorithm course in Semester III. Additionally, she proposed adding another course in place of Data Structures for Semester IV.
3. Suggestions and approval for the courses that can be offered under Generic Elective/ Open Elective.
- Dr. Rajendra Patil suggested introducing a Digital Literacy course covering topics such as DigiLocker, IT Returns filing, Patents, Cyber-related services, and other online government services available to the public.
 - Mr. Ashish Kadam suggested introducing Data Analysis course using Excel tools.
 - Following suggestions were given by Mr. Neeraj Chaudhari.
 - To introduce a Power Platform course that includes topics such as Power BI, Power Automate, Power Apps, etc.
 - To introduce Financial Fraud Detection course that includes various models for detecting frauds using Python, Risk assessment models, etc.
 - To introduce a Product Design course covering topics such as designing various products (not limited to software products), user experience, etc.
4. Any other matter with the permission of the Chair.
- Following suggestions were given by Dr. Rajendra Patil.
