- D. The course was approved for two credits and 45 lectures (45 minutes/Lecture). The number of lectures required to complete each module within the course was approved and is mentioned in the attached syllabus.
 - E. The examination pattern was decided to be of 60:40 pattern. The learners will be continuously evaluated for 40 marks. The internal assessment of 40 marks will be split into maximum 15 marks for assignment/projects/field visit, etc., 20 marks for class test and 5 marks for class participation. A written examination of 60 marks shall be conducted at the end of the semester. A learner will be considered successful on scoring a minimum of 40 % in both internal evaluation as well as semester end examination.
 - F. The teacher appointed to teach the courses shall be the examiner for the course and any teacher teaching same/similar course at undergraduate or higher level in any recognized college or university for a period of minimum five years can be appointed as moderator by the board of examination.
8. The chairperson mentioned that feedback for the syllabus was not significant for review and analysis as they were very vague and generic in nature. Members suggested collecting more feedback by the end of the academic year and reviewing the same in the next BOS meeting.
 9. There being no other agenda, the chairperson concluded the meeting with a vote of thanks to all the members and Principal.
