The syllabi across the Law components of B.Com, BAF, BBI, and BFM programs were revisited in a summarised manner. The Chairperson, Dr. Pramila Dsouza, proposed that since it is only the second year of NEP implementation, no changes should be made until the first batch of NEP graduates completes the program.

2. ESE & CIA Assessment Pattern

It was decided that the existing pattern for End Semester Examination (ESE) and Continuous Internal Assessment (CIA) will remain unchanged.

As per NAAC requirement it was decided to map the course outcome and program outcome. Accordingly, not only that the ESE has been mapped course wise but also the CIA has been mapped. It was also worked out that in addition to the approved assessment pattern direct assessment in the form of ESE could have tests in written or online form which is a part of summative and formative direct assessment and as part of indirect assignment different methods like assignment, book review, group discussion, poster presentations, field visits or study tours, viva etc may be added

3. Any Other Matter:

Dr. Pramila Dsouza mentioned that as part of the CIA, B.Com students participate in annual court visits. For students unable to attend longer visits, an alternative option of visiting local courts and submitting a report will continue to be available. The Chairperson also proposed initiating a Faculty Exchange Program in the future to expose students to diverse industry perspectives and enhance interdisciplinary learning.

Dr. Anand Raut proposed introducing a new course on e-commerce laws in the upcoming semester. It was resolved that the proposal shall be considered for future academic planning and development.

The meeting concluded with mutual agreement on the above points.
