The meeting started with formal welcome by Principal Dr. Sonali Pednekar Madam. Mrs. Seema Attarde introduced all the external members on Board and Internal members also. Mrs. Seema Attarde initiated the point-wise discussion as per the agenda of the meeting.

- **To discuss and approve the credit-based syllabus for F.Y under Mathematics and Statistics Board.**

The proposed revised syllabus of the following courses was briefly explained by Mrs. Seema Attarde

- Mathematical and Statistical Techniques (Sem I and Sem II -BCom Section)
- Quantitative Methods I and II (Sem I and Sem II -BBI Section)
- Business Statistics and Business Mathematics (Sem I and Sem II -BMS Section)
- Business Mathematics and Business Statistics (Sem I and Sem II -BFM Section)
- Business Mathematics (Sem II -BAF Section)

The following suggestions were made –

- Dr. R.L Shinde Sir suggested that instead of having mathematics and statistics together in both semesters, they have to be separated as only Statistics and Mathematics which can be thought of from next year.
- Dr. Selby Jose Sir and Mr. Kathiresan Sir suggested more internal options should be included in BCom external exam pattern to make exam pattern more student centric.
- *Industry Expert Mr. Nikhil Shetty suggested that the following topics should be included in SFC courses

1. Time value of Money (Simple Interest, Compound Interest, Annuity and Effective rate of Interest)

2. Brokerage Computation

3. Mutual funds/Portfolio Valuation -NAV Calculation

4. Derivative Valuation

5. Logical Reasoning (Number and Alphabet series, Odd Man out and Directions Tests)

His main point of concentration was on Business Mathematics and Logical Reasoning purely as this will add value to Commerce graduates in Industry as well as in their competitive exams.

- *CA Orel Kolet suggested that Commercial Mathematics like Shares, NAV, Interest & Annuity are already covered in Financial Accounting and Financial Management Subject. These are more relevant in Financial Management and not purely related to Mathematics. So, these topics can be removed from Mathematics syllabus as covered in other subjects.

Many relevant Mathematical topics like Learning Curve Theory, Assignment Problem, Transportation Problem, CPM-PERT, Simulation Techniques etc. could be introduced at basic level.

- **To discuss and approve the eligibility criteria and intake capacity of the course**

Mrs Seema Attarde informed the Board that all the norms and guidelines set by the University of Mumbai shall be followed. The same was approved by the Board.

- **To discuss and approve the exam pattern and question paper format for the internal and semester end exam for semester I and II so as to have continuous internal assessment.**

A 60 (external)- 40 (internal) examination pattern was proposed to be incorporated under autonomy from the academic year 2021-2022. It was discussed in brief by Mrs. Seema Attarde and the same was approved by the Board.

- **To discuss and approve the appointment of moderators and examiners for each course.**

Mrs. Seema Attarde informed the Board that Examiners would be the faculty appointed by the college to teach the course & Moderators would be the faculty from other colleges teaching the course with minimum three years of teaching experience. The same was approved by the Board.

The meeting ended with a vote of thanks proposed by Vice Principal Dr. K. G. Rajan
