7. Report on Attendance and Feedback:

Dr.Vaishali briefed the summary of attendance committee :

The lectures for odd semesters (Semester I, III and V) were conducted entirely online on Microsoft Teams and the attendance was also recorded online by teachers. The Attendance Committee had created folders on Google Drive; Programme-wise, Course-wise and Class-wise folders were created. Teachers were given access to their respective departmental folders and were asked to upload their attendance on a weekly basis. In this manner, the attendance for online lectures has been documented.

The lectures for even semesters (Semester II, IV and VI) were conducted in a hybrid mode as directed by University of Mumbai. Lectures were held online on Microsoft Teams and also in an offline mode simultaneously. Attendance for offline lectures has been documented manually and for online lectures, the same practice of recording attendance in odd semester was followed for even semesters as well.

In the second term, the college commenced offline lectures from 1st February, 2022 following all the State Government directives. It was observed that in many programmes, the attendance of students in online lectures was higher in comparison to physical attendance in offline class. The probable reasons for drop in offline attendance could be:

- a) Due to vaccination status
- b) Students' lethargy to come to college after prolonged lockdown
- c) Lack of proper public transport for commuting to college

However, for practical oriented programmes like B.Sc. CS and B.Sc. IT, not much variation was observed in the attendance of students in online & offline lectures due to practical courses in the curriculum.

Dr.Anuradha informed that feedback was collected from students at entry and exit level. Feedback was also collected from Second year students and to know the perception of students on Online Education. Feedback from employer and alumni were also collected and the analysis of the same was being done.

Committee suggested that the syllabus be changed regularly to keep abreast with the current developments. The Principal welcomed the suggestions and added that syllabus revision will be placed in BOS and Academic Council for deciding the frequency of revision.

8. Any other business with the permission of the chair.

Dr.Anuradha informed that this was the last meeting of the present committee. A new committee will be constituted from the academic year 2022-23 in the month of June, 2022.

Dr.Abhijit Phadnis appreciated the work done by IQAC.
