Policy for Appointment and Responsibilities of Professor of Practice at Mulund College of Commerce, Autonomous

1. Purpose and Vision

Mulund Commerce College, an autonomous institution in Mumbai, seeks to provide high-quality, industry-relevant education to its students. The position of **Professor of Practice** is created to bring real-world experience and practical expertise from the commerce and business sectors into the classroom. The Professor will bridge the gap between theory and practice, ensuring students are well-prepared for professional careers in today's dynamic business environment.

Professor of Practice is expected to contribute significantly to the academic development of students through mentorship, practical knowledge, and industry-driven research. They will also enhance the curriculum by incorporating up-to-date industry practices, market trends, and evolving professional standards.

2. Eligibility Criteria

- **Professional Experience:** Distinguished experts who have made remarkable contributions in commerce-related sectors such as finance, accounting, marketing, management, economics, or entrepreneurship. A minimum of 15 years of professional experience in senior roles or leadership positions will be highly valued.
- **Educational Qualifications:** A formal academic qualification is not considered essential for this position if they have exemplary professional practice in lieu.
- **Industry Recognition:** A demonstrated record of success and recognition within their respective industries, such as significant accomplishments in business ventures, consulting, or leading successful projects or teams.

3. Appointment Process

- Individuals who meet the eligibility criteria can be nominated by the Principal. The college Management board shall make the appointment from the nominations received.
- Experts fulfilling the eligibility criteria for Professor of Practice may like to share their expertise with students and come forward to teach on honorarium basis.

4. Roles and Responsibilities:

Professors of Practice will be expected to take on a multifaceted role at Mulund Commerce College, including teaching, mentorship, research, and collaboration with industry. Specific responsibilities include:

- **Teaching and Instruction:**

- Delivering in courses that apply theoretical knowledge to real-world business situations, including courses in finance, accounting, marketing, economics, and management.
- Using case studies, live projects, business simulations, and industry guest speakers to enhance student learning.
- Developing content for specialized courses that reflect current trends in commerce, such as digital finance, fintech, entrepreneurship, business analytics, and sustainability in business.

- **Curriculum Development:**

- Collaborating with full-time faculty to develop, revise, and update the curriculum to reflect changing industry demands and the latest professional practices.
- Contributing to new course offerings based on emerging business trends, such as data-driven decision-making, international trade, and corporate governance.

- **Industry Collaboration:**

- Establishing partnerships with businesses, startups, financial institutions, and other relevant sectors in Mumbai to provide students with exposure to real-world challenges.
- Facilitating internships, live case studies, and industry projects to allow students to apply classroom learning in practical settings.
- Encouraging students to participate in local industry events, conferences, and corporate networking opportunities.

5. Code of Conduct

Professors of Practice must adhere to the highest standards of academic and professional ethics. This includes:

- Promoting respect and inclusivity within the classroom.
- Fostering a culture of academic integrity, including avoiding conflicts of interest in industry collaborations.
- Maintaining confidentiality regarding student records and personal information.

6. Contractual Terms, Renewal and Termination

- **Contractual Terms:** The position of Professor of Practice will be offered for a fixed term (1-3 years), with the possibility of **annual renewal** of contract based on performance evaluations, institutional needs, and mutual agreement between the professor and the administration. Professors of Practice are expected to contribute consistently to the development of students, curriculum, and industry connections.
- **Termination:** The contract may be terminated due to failure to meet performance expectations, violation of institutional policies, or other significant issues that affect the professor's ability to fulfill their responsibilities.

Course Title: Account Opening and KYC Compliance in Banking

Sr. No.	Particulars	Comments
1.	Student group	TY B.Com. (Banking and Insurance)
2.	Duration	30 hours
3.	Credits	2 (TWO)
4.	Delivery Mode	Practical sessions, case studies, demos, checklists, field assignments
5.	Objective	To equip students with practical knowledge of customer onboarding, KYC compliance, documentation handling, and risk profiling in banks.
6.	Course Objective	- Understand different types of bank accounts and their features. - Learn the end-to-end process of account opening across customer segments. - Gain familiarity with KYC norms, customer risk categorization, and documentation standards. - Perform practical simulations of account opening procedures and form verification.

Course Structure

Module 1: Introduction to Bank Accounts (4 hours)

Topics:

- Types of Accounts: Savings, Current, FD, RD, NRI
- Customer types: Individual, Sole Proprietor, Partnership, HUF, Trust, Company
- Fund-based and non-fund-based accounts

Activity:

- Match account types with their key features
- Fill up a sample account opening form (Savings Account – Individual)

Syllabus for OE/GE
Department of English and Indian
Languages
With Effect from Academic Year
2025 – 2026

Parle Tilak Vidyalaya Association's
MULUND COLLEGE OF COMMERCE
(AUTONOMOUS)

Module 2: KYC & AML Norms (6 hours)

Topics:

- Overview of KYC and AML guidelines – RBI Master Direction
- Customer Identification & Verification: Documents for individuals and entities
- Central KYC Registry (CKYCR), Aadhaar eKYC, and Video KYC
- Risk categorization of customers: Low, Medium, High Risk

Activity:

- Verification checklist creation
- Analyse and categorize 3 customer profiles as per risk levels

Module 3: Account Opening for Individuals & Joint Holders (4 hours)

Topics:

- Step-by-step process of opening individual & joint accounts
- Nomination facility
- Minors, Senior Citizens, and Joint Accounts (E or S, F or S)
- Dos and Don'ts in documentation

Activity:

- Form fill-up simulation: Senior citizen + Joint Account
- Demo of Video KYC process (using mock video or screenshot walkthrough)

Module 4: Account Opening for Non-Individuals (6 hours)

Topics:

- Sole Proprietorship: License, GST, PAN requirements
- Partnerships: Partnership deed, PAN, authorisation
- Companies: MOA, AOA, Board Resolution, CIN, PAN, KYC of directors
- Trusts & Societies: Trust deed, registration certificate

Activity:

- Prepare a document checklist for each entity type
- Group activity: Review a mock account opening form for a partnership firm

Module 5: Fraud Prevention and Red Flags in Onboarding (4 hours)

Topics:

- Common frauds in account opening
- Early warning signals and suspicious transactions
- Reporting STRs to FIU-IND
- Data confidentiality and security in customer onboarding

Activity:

- Case study: Identify red flags in a mock customer onboarding file
- Class discussion on ethical dilemmas in account opening

Module 6: Compliance, Audit, and Record Maintenance (4 hours)

Topics:

- Internal audit observations in account opening
- Customer acceptance policy
- Periodic KYC updates and re-KYC process
- Record keeping and MIS reports

Activity:

- Audit checklist preparation
- Presentation: "How to maintain compliance in account opening?"

Module 7: Case Study & Practical Evaluation (2 hours)

- ✓ Students analyze 2 anonymized real-world cases – one compliant, one with KYC lapse
- ✓ Students present gaps and suggest corrections

Assessment Criteria:

30% – Participation & Attendance

20% – KYC Verification Project (form checking & profile categorization)

30% – Group Presentation: Case Study

20% – Viva on documentation and compliance terms

Student Takeaways:

- ❖ Ready-to-use checklists for different customer types
- ❖ Filled sample forms & KYC compliance formats
- ❖ Understanding of regulatory expectations for customer onboarding
- ❖ Confidence in handling branch-level account opening processes

Parle Tilak Vidyalyaya Association's MULUND COLLEGE OF COMMERCE, AUTONOMOUS

Institutional Development Plan (IDP)

Institutional Development Plan provides a comprehensive, actionable blueprint for Mulund College of Commerce, Autonomous to evolve into a leading autonomous institution by 2030, balancing academic excellence, societal impact, and global relevance while adhering to national and international benchmarks. This plan is meticulously aligned with the National Assessment and Accreditation Council (NAAC) Framework, National Education Policy (NEP) 2020, Viksit Bharat Vision, and Sustainable Development Goals (SDGs). It outlines MCC's strategic priorities, actionable steps, resource requirements, timelines, and performance indicators, tailored to its identity as a commerce-focused institution in Mumbai

Vision Mission of the College:

Vision:

To educate youth to serve the nation with excellence and dedication, leading to social, cultural and economic development of India.

Mission:

To conduct the activities of the College with strict discipline for attaining the goals of intellectual and physical training for moral development and character building of the students at the College

To impart sound, practical and rational education in Commerce, Economics, Business Management, Science, Law, Information technology, Computer Science and such allied subjects

To plan and work to meet the perennially changing and growing challenges of a globalized world by introducing specialized training leading to professional capabilities and developing different skills in students.

Strategic Objectives

The following objectives provide strategic direction for MCC's transformation into a Degree-Granting Empowered Autonomous College by 2030.

1. Academic Excellence and Curriculum Innovation (NEP 2020, Revised NAAC)

To achieve academic excellence by designing and implementing a multidisciplinary, outcome-based curriculum that integrates emerging fields to foster critical thinking and employability in alignment with NEP 2020's vision for flexible, skill-oriented education.

2. Research, Innovation, and Entrepreneurship (Viksit Bharat, SDG 9)

To cultivate a robust ecosystem for research, innovation, and entrepreneurship by establishing specialized hubs and incubation centers that drive advancements in commerce-related fields, supporting Viksit Bharat's goal of innovation-led economic growth and SDG 9's focus on industry, innovation, and infrastructure.

3. Inclusivity and Community Engagement (NEP 2020, SDG 4, SDG 10)

To promote inclusivity and community engagement by enhancing access to education for marginalized groups and delivering impactful outreach programs such as financial literacy and vocational training, aligning with NEP 2020's commitment to equity and SDG 4 (quality education) and SDG 10 (reduced inequalities).

4. Sustainability and Global Outreach (SDG 13 and 17, Viksit Bharat)

To advance sustainability and global outreach by integrating green practices into campus operations and academic programs, contributing to Viksit Bharat's vision of a sustainable future and SDG 13 (climate action)

5. Technology and Infrastructure Development (NEP 2020, Viksit Bharat)

To enhance technology and infrastructure by adopting cutting-edge digital tools, smart classrooms, and advanced systems, ensuring MCC becomes a future-ready institution in line with NEP 2020's emphasis on technology-enabled education and Viksit Bharat's goal of a digitally empowered India.

Prospective Institutional Development Plan (2025–2030)

Short term plan (2025–2026)

Goal: Strengthen autonomy for institutional transformation.

Actions:

- Redesign curriculum to integrate commerce with emerging fields. It shall be required to implement outcome-based education (OBE)
- Towards effective **academia-industry** partnership to train and recruit students.
- Collaborate for research and augment teaching-learning resources with the other institutions.
- Initiate the process of developing smart classrooms.
- Begin the NAAC reaccreditation 4th cycle process.
- Enhance community outreach with financial literacy workshops for local residents in Mulund and nearby areas.
- Implement a Learning Management System (LMS) for hybrid learning; train all faculty in digital pedagogy.
- Arrange training sessions on AI driven tools for the students assessments.

Medium term Plan: (2026-27–2027-28)

Goal: Enhance academic offerings, research and national presence while advancing educational sustainability and inclusivity.

Actions:

- Work towards securing Empowered Autonomous College status from the competent authorities by July 2027.
- Launch degree programs E-Commerce, Green Accounting
- Establish a robust continuous evaluation system aligned with OBE across all programs.
- Create a robust placement infrastructure with dedicated Placement Officer to enhance the employability avenues for the students.
- Enhance Entrepreneurship Development Cell (EDC) activities to incubate student startups.
- Increase the funding for faculty research projects under Institutional Financial Support (IFS) for research activity.
- Install renewable energy usage and implement waste segregation and recycling systems.
- Sign MoUs with international institutions for joint programs and exchanges.
- Integrate AI-driven tools for student assessments and career counseling;
- Offer SWAYAM courses through UG program curriculum framework
- Continued upgradation of classrooms.

Long term plan: (2029–2030)

Goal: Position MCC as a national leader in commerce education and sustainability.

Actions:

- Launch postgraduate programs with industry collaboration.
- Develop scalable innovations (e.g., ethical business models) for national adoption.
- Augment graduate employability through enhanced placement cells and industry tie-ups.
- Expand community outreach to empower individuals with financial and entrepreneurial skills.
- Achieve carbon neutrality with renewable energy and zero-waste systems.
- Gain recognition as a regional hub for commerce education aligned with SDGs.
- Transition to a fully digital campus for resource management.
