Report on Parents Feedback _ 2025-26

1) Background of the Study

Parental emotional support is important for mental well-being of the learner. No college can work well for learners if the parents and teachers do not act in partnership in the best interest of the learner. Therefore, parent's feedback plays a very important role in providing quality service to the most important stakeholder i.e. the learner.

2) Objectives of the study

- 1) To explore the opinion of the parents about the different areas of the college
- 2) To study the view of parents about the college curriculum

3) Methodology

The internet-based e-survey was conducted through the Google form platform. A well-structured questionnaire was used for the survey. The survey link was shared on the WhatsApp groups of the students and they were instructed and guided to get form filled from their parents. The survey was kept open for a month to ensure the minimum estimated participation of students. A total of 452 parents participated voluntarily in the survey across the college including undergraduate and post-graduate students.

4) Data Analysis and Interpretation

The parents were asked to rate about the different aspects of the college using the 5-point Likert scale were, Excellent – 5, Very Good– 4, Good– 3, Average – 2, Poor– 1. The findings of the same are presented in the below part of the report.

RESEARCH PROMOTION AND ASSESSMENT COMMITTEE

PUBLICATION AND PLAGIARISM POLICY

1. Introduction

Academic integrity and ethical research practices form the foundation of all scholarly activities at **Mulund College of Commerce**. In alignment with the University of Mumbai (UOM) and other regulatory bodies, the College is committed to promoting originality, authenticity, and responsible authorship in all research and publication endeavors.

To uphold these values, the College has adopted a **Plagiarism Detection and Publication Policy**, supported by the implementation of **DrillBit** plagiarism detection software. This policy applies to all students, faculty members, and any external individuals seeking plagiarism-checking services from the College. This broad framework presents the mechanism and process of publication and use of plagiarism software by teachers and students. This policy also incorporates use of plagiarism software by outsiders.

2. Objectives

The primary objectives of this policy are to:

- Ensure that all academic and research work submitted to the College maintain originality and ethical standards.
- Encourage awareness and compliance with plagiarism norms among students and faculty.
- Provide a transparent and uniform mechanism for plagiarism detection and reporting.
- Regulate the use of plagiarism-checking facilities within the College.

3. Scope of Application

This policy applies to:

- **Students** submitting dissertations, theses, or project reports as part of degree requirements.
- **Faculty members** submitting research papers, Minor Research Project Reports, or publications.
- **Faculty Members/ Research Scholars** submitting Research Theses.
- **External researchers or individuals** (outsiders) who wish to utilize the College's plagiarism-checking services.

4. Plagiarism Checking Software

The College utilizes **DrillBit** plagiarism detection software for all plagiarism verification processes. DrillBit will be used to assess the similarity index of academic documents submitted for review.

5. Submission and Verification Process

The following procedure shall be followed for plagiarism checking:
